Wiring Accessories Ranges

E-Series

E-Series has been setting the standard, with design features like impact resistant polycarbonate components, modular designed mechanisms and multigang capabilities.

E-Series switches and sockets are tough, resilient, built to take hard knocks and guaranteed to provide exceptional product life.

Pieno

Uncluttered design with a distinctive jumbo dolly and an overall slim profile, Pieno has pushed the boundaries of the switch design paradigm. Each dolly fills its space, reaching the edges like no other.

The maximized space of the integrated faceplate has enlightened the clean and clutter-free design, and seamlessly fits in to any space.

NEO C-Metro

When you choose NEO, you can be sure of a level of quality and safety that is simply second to none. The first mechanical switch to offer LED locators, which gives off a uniquely enticing soft glow that tells you exactly where each switch is located at night. Revolutionary horizontal dollies round off an outstanding example of cutting edge ingenuity which will always appeal to those wishing to stay ahead of changing trends.

ZENcelo

The Full-Flat form factor has redefined many facets in life. Aeroplane seats. TVs. Mobile phones. Electric stoves.....and now switches.

Aesthetically pleasing flat switches are in fact available. But only exclusive to luxurious electronic switches and lighting automation systems. Even on switches you never imagined can be Full-Flat...
